Raptivity to exhibit at Learning Solutions Conference and Expo 2016

Visit Raptivity at the Learning Solutions Conference and Expo for a quick demonstration of Engagement Analytics and its interactivity building solutions.

The Raptivity Team will be exhibiting at the Learning Solutions Conference and Expo 2016, being held in Orlando, Florida, from March 16 – 18. Raptivity will be exhibiting at booth #317 and has plans to showcase its flagship interactivity building tool – Raptivity, along with Raptivity Linker. Visitors to the Raptivity booth can also gain insights into Raptivity’s newly launched ‘Engagement Analytics’. With Engagement Analytics, the team aims to provide eLearning developers and administrators sophisticated insights into what’s working and what’s not with their interactive content. All this will be demonstrated by means of a user-friendly dashboard.

Learning Solutions Conference and Expo is one of the largest e-learning conferences and expositions in the industry. Backed by the eLearning Guild, the expo is the perfect hub to explore new avenues in the eLearning ecosystem. The expo will be a host to 100+ sessions covering – eLearning best practices, How-To, case studies and emerging trends shaping the industry.

Janhavi Padture, Vice President, Strategy and Innovation, Harbinger Knowledge Products, who is all set to be a part of Learning Solutions Conference and Expo, says “This year Engagement Analytics is at the forefront for us. As the eLearning ecosystem is evolving with new trends, Raptivity moves ahead in the league with this newly launched concept. Engagement Analytics can enable the eLearning fraternity with essential learning statistics to deliver a greater learning experience. I encourage attendees to stop by our booth to see it all in action.”

To meet team Raptivity at the event, visit booth #317.
